

CareClix

CareClix gives you the power to speak to a licensed doctor by web, phone, or mobile app in minutes from anywhere! With your IMG insurance plan, CareClix is included and allows you to seek medical care with no deductible and no cost to pay!

To get started, visit <https://anywhere.careclix.com/login> to setup your account

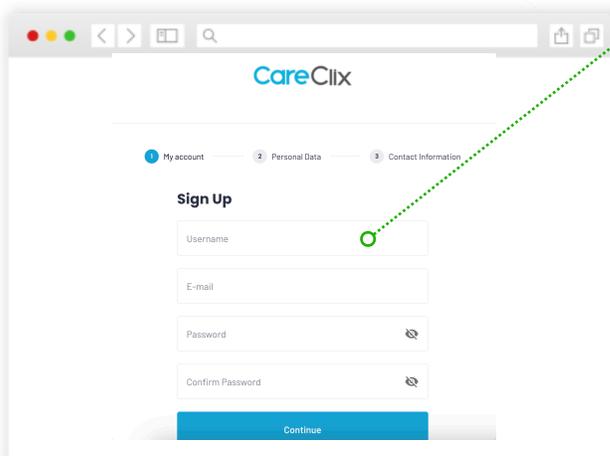

Please note - you can only register once your plan has started, and not before you arrive to your destination

1. Activate your Account

Visit the CareClix login page and click on [Don't have a patient account? Sign Up Here](#) to start your registration.

You can also register your account through the online Care Clix Mobile App.

2. Enter your Information

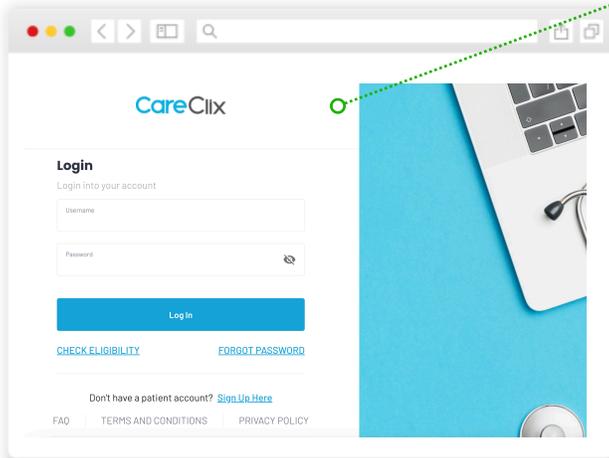

You will need to enter your contact information to register. Please view the helpful tips below:

- Username: This is the ID number found on your insurance ID card.
- Email Address: This should be the email address associated with your insurance record.
- Password: You will need to enter **Img12345!** to register.
- Clinic ID: You will need to enter **imgins**.
- First and Last Name: You must enter your first and last name exactly as it's included on your insurance enrollment. If you have multiple first or last names, you will need to enter each name to register.

3. Finish your Registration

You will then receive an email with your username and instructions on how to login and schedule an appointment with a doctor.

Please Note: Please be sure to reference the CareClix section of your Student Zone to confirm the countries in which CareClix is available.

4. Download the App

You can also register for your account and seek care through the mobile app!

CareClix is not intended to replace your relationship with your primary care physician (PCP). Your PCP may offer telemedicine services. Members are encouraged to have all recommended preventative care and screenings with their established PCP. Compatible with Apple iOS devices and Android devices. The CareClix app is free to members and available for download at the Apple App store or Google Play store. Android and google Play are trademarks of Google Inc. Apple iOS devices are trademarks of Apple Inc. App Store is a service mark of Apple Inc.
